

Reno-inn Aromatic Compound-Free Thinner

Reno-inn Aromatenfreie Verduennung

Low-odour, aromatic compound-free solvent for thinning paints and varnishes containing solvents.

Instructions for use:

Reno-inn Thinner is suitable for adjusting the working consistency of low-odour paint and varnish solvents containing solvents. Particularly suited for thinning *decothic Rapid Renovating Paint*. Check compatibility with paints and varnishes containing aromatic compounds before use.

Technical specifications:

Components: Isoparaffin hydrocarbons
Density: approx. 0.75 g/cm³
Flash point: 45 ° Celsius

Application:

Stir *Reno-inn Thinner* into the system to be thinned until mix is homogeneous. The quantity added depends on the required working consistency. The inherent odour of the thinned products is not affected. Always follow the thinning recommendations of the paint and varnish manufacturers.

Important information:

Please see the EU Safety Data Sheet for all safety-related data (EU-CLP).

Storage:

Store in a cool place! Keep the containers tightly sealed! Keep away from naked flames, heat or ignition sources.

Available sizes:

1 l tinplate tin

Art.No.: 012702000

EAN: 4002175127021
